

AEONIUM 'SUNBURST'

## IDEAL LIGHT

Prefers full sun but can tolerate shade and indoor growing.

## WINTER HARDINESS

Not frost tolerant - protect from freezing

## PROPAGATION METHODS

Cuttings

## WATER NEEDS

Water only when soil is dry

## MATURE SIZE

18 inches tall | 2 feet wide

## ADDITIONAL NOTES

'Sunburst' is a branching, variegated succulent. Its leaves are white and green, with pink edges that turn red in full sun. Watch for white flowers in the summer.

It is monocarpic, meaning that after it flowers, the main plant will die.

Although it does love full sun, 'Sunburst' is able to be grown indoors if it receives enough light. 'Sunburst' bruises easily.
