## Vans Partners with The Meatball Shop for Exclusive Sk8-Hi

SEP 29, 2016 · 1 MINUTE READ

Vans returns to the arms of an old friend for their latest collaboration, aligning their action sports sensibility with The Meatball Shop of New York City.

Helmed by The Meatball Shop's chef/owner Daniel Holzman and Vans VP Steve Van Doren, the two produce an exclusive **Sk8-Hi** outfitted in iconic Vans checkerboard print coupled with sketches of animated meatballs on the quarter panels. Co-branding appears at the heel.

The Meatball Shop x Vans Sk8-Hi is available for \$65 at The Meatball Shop NYC locations and [online](#).
