RED – ITALY - PIEDMONT CELLAR

So, here's the deal...we have all this cool, funky old wine from Piedmont, and we think it's time to dust 'em off and pop the corks! Please be aware that these wines are not fruit-forward; that's not the point. Think earth; dried leaves, tobacco, smoke, barnyard, animal, vegetable, mineral. Old wine is unlike anything else- it's transformative!
