TRENDSPOTTING

8 Food and Drink Trends to Try in 2015

BY JUSTINE STERLING | POSTED JANUARY 1, 2015 AT 5:00PM EST

F&W editors predict that 2015 will be year of [house-made tortillas](#), [after-dinner drinks](#) and [Middle Eastern food](#), but chefs and bartenders have their own ideas about what's to come. Here, eight culinary pros predict the trends that will be big next year.

5. Ramen. "There's going to be a national surge in ramen." –Daniel Holzman; The Meatball Shop in New York City
