

EMPIRE BUILDING

Meatball Shop Announces Its Williamsburg Address

By Daniel Maurer

The *Times* has the exact location of the **Meatball Shop's Williamsburg outpost**, and it's a sweet one: It'll open in the spring at 170 Bedford Avenue near North 7th Street. And this is promising: A real-estate listing mentions that "the exceptionally large yard can serve as an excellent dining area for a restaurant or café." **[NYT]**
