Sport and Recreation Application

Discussion with Di Bensley regarding the needs of Q Squash and the impending Sport and Rec application. It was agreed by the Board to employ Di's services to complete the funding application and develop a new Queensland Strategic and Operational Plan.

It was agreed a survey should be issued to all centres (to be passed onto individuals) for feedback on the current performance of Q Squash and the required needs individuals would like to see occur. It is a valuable tool to discover both the negative and positive performances on various issues. A draft will be developed by Di and sent to the Board within 24 hours for issue by the end of the week.

Meeting Closed at 7.13pm
