

# Past Progressive Part 3

# Structure

was/were + verb+ing

At the same time, yo.

I was ignoring you while you were talking. :)

= you talking

= me ignoring you

## Same Time Structure

Both actions: past progressive --> was/were + verb+ing

Examples:

I **wasn't ignoring** you while you **were talking**.

While you **were brushing** your teeth, I **was eating** your cookies.

**Were** you **paying** attention when I **was explaining** the rules of the game?

# When & While

Generally:

when + past simple\*

while/when + past progressive

In spoken English:

I **wasn't ignoring** you while/when you **were talking**.

While/When you **were brushing** your teeth, I **was eating** your cookies.

**Were** you **paying** attention while/when I **was explaining** the rules of the game?

while = during that time

when = \*see Part 1 - interrupted actions
