95 points Wine Spectator

"A graceful Champagne, with minerally drive. Firm acidity and a rich vein of smoky mineral meshes with the plush texture, offering finely woven flavors of mirabelle jam, toasted brioche, crunchy pear, honey and smoked almond. Delivers a long, mouthwatering finish. Drink now through 2029." (AN) (12/2014)

Dalla Valle Vineyards overlooks the Napa Valley floor from a hillside terrace 400 feet above the Silverado Trail in Oakville. Since Gustav and Naoko Dalla Valle purchased the property in 1982 and began planting vines, this exceptional acreage has continually distinguished itself as the ideal site for producing some of the world's finest wines, thanks to the perfect convergence of lingering sunlight, cooling marine influence and red volcanic soil.

Maya is the jewel in the crown, that originates in the remarkable vineyard that shares its name. A proprietary blend aged in primarily new French oak, Maya showcases the site's exceptional Cabernet Franc; it is graceful and alluring with an unmistakable pedigree. Fewer than 500 cases are produced each year.

Of the great European wine families, the Rothschilds are perhaps the best known. And Baron Philippe de Rothschild is perhaps the best known of this great family. At the age of 20, Baron Philippe took on the management of Château Mouton Rothschild from his father Baron Henri. Philippe's vision changed the world of wine: he invented Château bottling, commissioned great artists to illustrate his wine labels – and, in partnership with Robert Mondavi in 1979, created Opus One.

Among great New World wine pioneers, Robert Mondavi is an international icon. Bringing a passion for excellence to everything he did, Robert Mondavi led a renaissance in California fine wine for over six decades. Among other accomplishments, he introduced temperature-controlled fermentation, French oak barrel aging, and high-density viticulture to a fledgling American wine industry. But life was not only wine for Robert Mondavi: he broadened the American cultural palate by marrying fine wine to food, music, and the arts. One of few Americans to have received the French medal of the Legion of Honor, Robert Mondavi showed extraordinary vision as co-founder of Opus One.
