The class officers are supported by stipended staff advisors that meet regularly to support activities. ASB and club leaders meet with administration bi-weekly in the SALT (Student-Admin Leadership Team) to discuss student concerns, as well as calendar and planning.

Student elected positions include:

- ASB President, Vice President, Secretary, and Treasurer
- Class Presidents and officers
- Commissioners

Link Crew

Link Crew is a mentorship program where Juniors and Seniors help freshmen become familiar with the campus, staff and culture of Paloma. Here is the parent organization... the [Boomerang Project](#)

The Link Leaders at Paloma start the year off with a Freshmen Orientation day, where all freshmen are partnered up with several leaders to help them throughout the year. On this day the leaders and freshmen complete activities and get a campus tour.

Throughout the year leaders sponsor several events to involve the freshmen in Paloma culture. Some of these events include: Freshmen Football Tailgate, Club/Sports Lip Sync Battle, Cocoa and Cram, Freshmen Competition Week, Freshie Awards.

In addition to this leaders are assigned to College and Career Classes and Freshmen AVID Classes. In these classes, leaders present high interest and impact curriculum. Some examples of the curriculum include: goal setting, bullying, leadership, understanding roles and course selection.

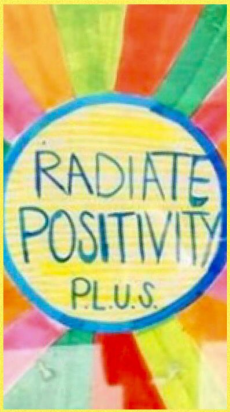

There is a year-long competition amongst the College and Career and AVID classes. The winner earns a trip to a local theme park. Students earn points for this competition by attending school and Link sponsored events, earning good grades, having good behavior, and good attendance and by dressing for school spirit day.
