## The Building

Midpoint is recognised as one of the town's most prominent office buildings, ideal for an organisation seeking a strong corporate image which benefits from unrivalled transport links and access to local amenities. Other occupiers in the building include Constructionline, Aecom and FCB Health. The space available is located on the first floor and benefits from the following facilities and specification:

- Building reception with concierge and security
- 4 No. 13 person lifts (*one suitable for goods*)
- Building heating, ventilation and air conditioning system (*HVAC*) controlled by building management system (*BMS*)
- Building cycle store and shower facilities
- Male, female and disabled toilet facilities on each floor
- Suspended ceiling with metal ceiling tiles
- Low glare LED lighting
- Full access raised floors
- 22 allocated car parking spaces

The allocated car parking is located in the decked car park beneath the building. The car park is accessed directly off the north side of the Churchill Way dual carriageway just off the Victory Roundabout.

The owners of the building are planning to upgrade the reception area, lifts, common areas and external parts of the building over the coming months. Further details are available upon request.
