WOULD YOU LIKE TO SERVE ON A DISTRICTWIDE LEVEL COMMITTEE?

The Parent Advisory Committee's (PAC) mission is to provide an authentic parent voice, that reviews student achievement and provides advice and input to the PUHSD School Board and Superintendent, to ensure that the District's Local Control and Accountability Plan (LCAP) reflects the input of parents and key stakeholders.

The Parent Advisory Committee will advise our programs and share ideas and insight from the parent perspective related to services for students and families.
