New York-based eatery **The Meatball Shop** has teamed up with Vans on their fourth collaborative shoe, a checkerboard Sk8-Hi rendered in a combination of suede and canvas in a basic black and white color palette. The shoe is topped off with animated meatballs on the quarter panels, and "The Meatball Shop" branding on the heels. Retailing for \$65, the kicks are available starting today through The Meatball Shop locations and online at themeatballshop.com.

In other Vans news, **Blends** previews its **Sk8-Hi Deconstruct LX** collaboration, while **Naked** showcases pastel colorways of the **woven-leather Sk8-Hi**.
