The **BEST**
weekend

New York

By Anne Ichikawa

The Big Apple is home to 30,000 restaurants. Here's where to eat now.

HOT PLATES

Meatball Shop

The meatball craze is taking over New York City. People are talking about these little spheres of beef, chicken, or pork that can be served à la carte, as sliders, in heroes, or "smashed." Choose your sauce and toppings and go to town. 84 Stanton Street, themeatballshop.com
