### The UrbanDaddy NYC Holiday Gift Guide

Giving. Otherwise known as receiving's slightly more annoying brother. Sort of tough to have one without the other this time of year. So we'd like to help. Below, some gifts for special someones. Yes, one is a dominatrix.

FOR THE CARNIVOROUS BALLER

#### *The Meatball Shop Cookbook*

Nobody makes meatballs like your grandmother. Unfortunately, she has that whole “over my dead body” policy regarding recipes. Slightly more forthcoming: *The Meatball Shop Cookbook*. The spherically inclined LES fixture has published a playbook detailing every ball in their arsenal. Spicy pork. Caribbean-rubbed. Mini buffalo chicken. So yeah, stuff it, Nonna.
