Friday, October 11, 2013, by [Greg Morabito](#)

COLLABORATIONS – **Kyle Itani** of Oakland, California hot spot [Hopscotch](#) will cook a special dinner at the West Village location of **The Meatball Shop** on October 25 with **Daniel Holzman** and **Daniel Sharp**. The three chefs have been friends for a long time, and last year, the Meatball Shop boys did a pop-up at Hopscotch. So, basically this is Itani returning the favor. The five-course dinner costs \$160, tax and service included. [Tickets can be purchased online.](#)
