Why Stocks?

- Stocks represent ownership in a company
- Stocks are an integral part of our economy
- Stocks provide an opportunity for growth higher than most other investments

Notes: _____

Why Stocks?

Stocks

- Ownership
- Can benefit from company profits
- High potential for appreciation

Mutual Funds

- Investments grouped by Fund Manager
- Prices fluctuate based on investments held
- Actively marketed by "investment advisors"

Exchange Traded Funds (ETFs)

- Represent a "Bag" of Stocks
- Trade like stocks
- Cheaper than Mutual Funds

Notes: _____

What's the most commonly sold investment?

Mutual Funds

Why?

*They pay the highest
commissions and fees!*

Notes: _____

“People get a lot for their money when they hire a professional, like a plumber or dentist. But people get nothing for their money from professional fund managers.”

– Warren Buffett
