# UNLOCK YOUR INHERITANCE PROSPER IN GOD'S APPOINTED SEASONS

## **Credits**

I am forever grateful for those who are listed below. On my journey of research and study for this eCourse they each were a rich resource that helped me immensely. Their knowledge alone is priceless, the bonus is their revelation and wisdom.

Let me tell you I pulled on it all to help point me in the right direction many times. They are all (along with myself of course) weaved into this project. I said it in my introduction, I am not a scholar by any means, there are layers to this and I've only scratched the surface, they are the true scholars.
