Don't miss the chance to taste your way through **Bon Appétit Grub Crawl Brooklyn, June 1-3**. This on-the-move, pub crawl-inspired, neighborhood food tour celebrates the most buzzed-about chefs, restaurants, music, and local fare. In true Brooklyn form, you'll experience food and drink up-close, hang with the chefs, and sneak a peek at the kitchen. As if that's not enough, on Saturday it culminates in can't-miss music performances.

What to expect? Enjoy crostini in the garden of **Frankies 457** with the Franks, hang out with the guys from **The Meatball Shop** as you chow on meatball sliders, get a behind-the-scenes tour of **Brooklyn Winery**, sip wines that you cannot find anywhere else, and so much more.
