

Minutes of Q Squash Board Meeting 31st May 2012 held by Skype.
Starting 5.30 pm

Only two items discussed at length.

Item 1

Budget as presented by Alec MacDonald

This was discussed at length and each and every figure was gone over. When comparing Craig Simmich's Budget spread sheet and Alec MacDonald's spread sheet the eventual conclusion was that Q Squash was not at present insolvent but was looking at a profit of \$20,000.00 plus if all expenditure was maintained as per the spread sheets.

Item 2

The duties to be taken up by Board Members

Again after a long discussion over the many tasks on Craig Simmich's list no final decisions were made as to who was going to do to all of the tasks.

Ros Preston did take on the duties of Australian Junior Championships.

Alex MacDonald then said the Board would have to prioritise the remaining tasks.

Meeting closed 8.00 pm
