The Meatball Shop Announces Itself to Bedford Ave

Wednesday, May 4, 2011, by [Amanda Kludt](#)

After months of hinting and planning the Lower East Side's always packed restaurant **The Meatball Shop** has made itself known in Williamsburg. Owners Daniel Holzman and Michael Chernow are opening their second location of the singularly focused concept on Bedford between North 7th and 8th Streets, just half a block from the Bedford L stop, and recently painted over the above plywood shed. Expect both this larger location and the planned West Village spot at 64 Greenwich Ave. to open by the summer.
