

# CML CLIPS – SECTION 1 - 7

**Surprise, surprise, surprise!**

**I have condensed Sections 1 – 7 into one file that you can buzz through at lightning speed!**

**Why would I do that?** Because I care about you learning this material. So, I decided to do it as fast as possible, so you'd catch some of the high points before you moved forward.

This is a feature of this course -- I know the impatience that notaries have (because I am you), but I want to give you every opportunity to cover the information in Sections 1 – 7.

Are you ready for the quickest run through of material in your life?

## Okay! Let's go!

---

Remember that you'll need to go back later and cover the material in Sections 1 – 7 again if you want me to send you a certificate of course completion. Every lecture has to be completed before you apply for your certificate.

---

## Enjoy!
