The Meatball Shop's take

The crowd swelled around The Meatball Shop table. One could ask, Was their popularity because of [their segment on Unique Eats](#)? Could it be the meat'ball' jokes Executive Chef/Co-Owner Daniel Holzman served up that were as spicy as his meat sauce? Could their cheesy polenta serving as a base for their spicy pork meatball clench the evening's vote as the fan favorite? Not quite. Donatella won. But they—and the other meatballer chefs and the fans—will be back. [Share This](#) [Permalink](#)
