

ONLINE COURSE

Summary of Contents

Main Presentation: PDF Presentation

10 x Videos

VIDEO: Introduction To The Science Of Childbirth (Dur: 3 mins 45 secs)

Featuring:

Sue Carter, Executive Director of the Kinsey Institute and Rudy Professor of Biology at Indiana University

Aleeca Bell, Assistant Professor at the University of Illinois at Chicago

Maria Gloria Dominguez-Bello, Associate Professor Department of Medicine, New York University

Neena Modi, Professor of Neonatal Medicine, Imperial College London

Rodney Dietert, Professor of Immunotoxicology, Cornell University

VIDEO: What Is The Microbiome? (Dur: 5 mins 30 secs)

Featuring:

Gregor Reid, Professor of Surgery, Microbiology & Immunology, University of Western Ontario

Maria Gloria Dominguez-Bello, Associate Professor Department of Medicine, New York University

Rodney Dietert, Professor of Immunotoxicology, Cornell University

Anita Kozyrskj, Professor, Department of Pediatrics, University of Alberta

Lesley Page, Visiting Professor of Midwifery, King's College London

VIDEO: The Microbiome And Pregnancy (Dur: 2 mins)

Featuring:

Rodney Dietert, Professor of Immunotoxicology, Cornell University

Maria Gloria Dominguez-Bello, Associate Professor Department of Medicine, New York University

VIDEO: How A Mother's Microbiome Changes During Pregnancy

(Dur: 2 mins 35 secs)

Featuring:

Maria Gloria Dominguez-Bello, Associate Professor Department of Medicine, New York University

Rodney Dietert, Professor of Immunotoxicology, Cornell University

VIDEO: The Microbiome And Vaginal Birth (Dur: 4 mins 10 secs)

Featuring:

Martin Blaser, Professor of Translational Medicine, & Director Human Microbiome Program, New York University

Maria Gloria Dominguez-Bello, Associate Professor Department of Medicine, New York University

Hannah Dahlen, Professor of Midwifery, Western Sydney University

VIDEO: The Microbiome And The Developing Immune System (Dur: 5 mins 20 secs)

Featuring:

Martin Blaser, Professor of Translational Medicine, & Director Human Microbiome Program, New York University

Anita Kozyrskj, Professor, Department of Pediatrics, University of Alberta

Maria Gloria Dominguez-Bello, Associate Professor Department of Medicine, New York University

Rodney Dietert, Professor of Immunotoxicology, Cornell University

VIDEO: The Microbiome and C-section (Dur: 7 mins 30 secs)

Featuring:

Hannah Dahlen, Professor of Midwifery, Western Sydney University

Maria Gloria Dominguez-Bello, Associate Professor Department of Medicine, New York University
