

## SANDY RELIEF

### Where to Eat Out For Sandy Relief in New York City

Tuesday, November 6, 2012, by [Greg Morabito](#)

Restaurants all over New York are raising funds for the Red Cross and other relief organizations in the wake of **Hurricane Sandy**. Some eating and drinking establishments are also collecting canned goods and other supplies, to aid the recovery in the Rockaways and other hard-hit areas. Here's a map of where to eat to support the relief effort, and restaurants that are accepting donations. Please, by all means, if you know of a restaurant to add to this map, [send that information to the tipline](#). Eater will update this map all week.

*Note: Some of these offers were only available over the weekend. They have been moved to the bottom of the list, but are preserved here for posterity.*

#### THE MEATBALL SHOP

The Meatballers just started a "balls for blankets" initiative. If bring a blanket to any location of The Meatball Shop, you will get a free order of "naked" meatballs. The blankets will be distributed to Hurricane Sandy victims in the NYC area.
