Edit a trailer for your short movie

Long

Trailers give your potential audience a glimpse into your movie. Edit a trailer that will make people want to watch your entire movie!

For a trailer, an editor must summarize a final film in under 2 minutes.

To complete this challenge:

1. Choose some short clips from your original footage used in your short movie.
2. Your original trailer must be under 2 minutes long. Most trailers you see on TV are only about 30 seconds long!
3. You must add at least 1 title that tells use the name of your short movie.

Submit

See next page for next steps.

You will then see the Submit Evidence section.

Submit Evidence

I have completed the below requirements

- Camera Techniques - Subjects are visible and the camera is steady.
- Editing: Evidence of editing must be visible.
- Video cannot be more than 2 minutes long.
- Your trailer must include the title of your short movie.
