NEW YORK'S HOMETOWN NEWSPAPER

WEDNESDAY, JUNE 5, 2013

## Happening this week ...

Daniel Holzman, co-owner of the **Meatball Shop** ([themeatballshop.com](http://themeatballshop.com)), is cooking up a pop-up dinner Thursday on the upper East Side at **83½ restaurant** ([eighty-threeandahalf.com](http://eighty-threeandahalf.com)), owned by his longtime friend Vincenzo Mangiafridda. No meatballs are on the menu for the seatings at 7 and 9 p.m. Instead, Holzman — who grew up across the street — will create family-style dishes including Lamb Scalloppini and Sunchoke Salad. The dinner is \$60 or \$80 with cocktail pairings. To book, go to [eighty-threeandahalf.com/reservations](http://eighty-threeandahalf.com/reservations).
