

PSA Millicent Open

Squash SA is pleased to announce the major sponsor for the forthcoming PSA event in Millicent, South Australia on 18th & 19th September – **Kimberly-Clark Australia: Millicent Mill.**

Kimberly-Clark Australia is a market leading paper product manufacturer with a pulp mill located at Millicent in the state's South-East. Household name brands including Kleenex Cottonelle, Kleenex Facial Tissue, Wondersoft, Thick & Thirsty & Viva towel are all part of the KCA product line. KCA – Millicent Mill is also a major employer in the region and has a long and proud history of supporting the local community.

KCA Millicent Mill Manager Scott Whicker said, "We are very pleased to be the major sponsor for this event. We promote Health & Wellness in the workplace and this is a natural extension of that program consistent with our on-going support for the local community"

Squash SA General Manager Phil Sinnott said, "Squash SA is delighted such a respected business leader has agreed to partner with the sport to assist in the reinvigoration of the game in regional areas. Squash is a popular sport in the state's South-East, an area that continues to produce high-calibre athletes and many of our state's leading players. This sponsorship has enabled us to raise the profile of the tournament to attract a strong national and International field".

Confirmed international entrants hail from New Zealand, Japan & Pakistan with a strong contingent of national & leading S.A. based players filling out the 16-man draw.

Number 1 seed & ex-Millicent local Mike Corren will have a battle on his hands if #2 seed & Queenslander Nathan Stevenson meets him in the final. Corren has bettered Stevenson in their last 2 meetings, both finals, but the matches were close. Justin Beard (S.A.) is seeded 3, followed by New Zealander Alex Grayson at 4.
