

Mary M. Salvatore MD, MBA

Name: Mary M. Salvatore MD, MBA

ms5680@cumc.columbia.edu

330 East 75th Street Apt PHA, NY, NY

516) 343-2627

Birthplace: Flushing, New York

Citizenship: United States

3) Academic Appointments, Hospital Appointments, and Other Work Experience:

- Attending Physician, Department of Radiology , Long Island Jewish Medical Center. April 1999- April 2000.
- Attending Physician, Department of Radiology, NY Hospital Queens. May 2000 – September 2001.
- Attending Physician, Department of Radiology, Montefiore Medical Center. Assistant Clinical Professor. September 2001– April 2003.
- Attending Physician , Department of Radiology, Staten Island University Hospital. Assistant Clinical Professor. May 2003 – October 2011.
- Attending Physician , Department of Radiology, Mount Sinai Medical Center. Assistant Clinical Professor. November 2011 –June 2017
- Attending Physician , Department of Radiology, Mount Sinai Medical Center. Associate Clinical Professor. July 2017- July 2018
- Attending Physician, Department of Radiology, Columbia University Medical Center. Associate Professor. August 2018- Present

4) Education:

- Hunter College BS in Physical Therapy: September 1981-June 1985
- Albert Einstein College of Medicine: September 1988 - June 1992.
- Hofstra University MBA Program: September 2009 – December 2015.

5) Training:

- New York Hospital Queens: Medical Internship, July 1992 – June 1993
- St Vincent’s Hospital: Radiology Residency, July 1993 – September 1997.
- Montefiore Medical Center: Mammography Fellowship, November 1997 – April 1998.
- Long Island Jewish: Cross Sectional Imaging Fellowship, June1998- March 1999.
- Cornell University Hospital: Observership Lung Cancer Screening, 2009.

Mary M. Salvatore MD, MBA

- Certificate of Proficiency: Coronary Computed Tomographic Angiography, May 2011.
- Harvard Macy: Program for Educators in Health Professions, May 2010 and January 2011

6) Explanation of any gaps in work/training/education:

N/A

7) Licensure and Board Certification, as applicable:

- National Board of Medical Examiners July 1, 1993 #423912.
- American Board of Radiology 1997

8) Honors & Awards:

- Staten Island University Hospital: Department of Medicine Attending Teacher of the year Award Honorable Mention, 2005.
- Staten Island University Hospital: Department of Radiology Attending Teacher of the year Award, 2008.
- Staten Island University Hospital: Nominated for the President's Award for Faculty Development Program, 2010.
- Staten Island University Hospital: Nominated Parker J. Palmer Courage to Teach Award, 2011.
- Mount Sinai Selikoff Center for Occupational Health: Award for patient care for 9/11 Workers and Volunteers September 9, 2016
- Finalist Columbia's Presidential Teaching Award 2019
- Columbia University Medical Center radiology department Teacher of the Year Award 2019.

9) Administrative Leadership and Academic Service:

- Staten Island University Hospital : Radiology Residency Program Director . Designed and implemented a new Radiology Residency Program which in 2 years ranked 9th in the country based on academic achievement transforming a community based hospital into an academic institution. The model which I created and lead for 8 years continues to be a sought after training program for medical school graduates.
- Staten Island University Hospital: Section Chief Thoracic Radiology, January 2005 – Jan 2011.
- Staten Island University Hospital : Member of IELCAP , September 2007 – October 2011.
- Staten Island University Hospital: Vice Chairman of Education for Radiology Department , June 2009-October 2011

- Staten Island University Hospital : Director of Radiology Research Initiative 2011.
- Staten Island University Hospital: Director for Performance Improvement in Radiology , May 2009- October 2011.
- Staten Island University Hospital: Member of Credentialing Committee, January 2009- October 2011.
- Staten Island University Hospital : Member of Cancer Care Committee, June 2007 – October 2011.
- Mount Sinai: Institutional Fibrosis Program March 2014-Present. Designed and implemented ILD registry, which now contains over 300 patients and is gaining international interest. Instituted an ILD support group to help patients cope with lung fibrosis. Started a 501c3 foundation for pulmonary fibrosis to raise money for research and patient care. Created and maintain a daily blog for pulmonary fibrosis with 200 patient and physician recipients.
- Mount Sinai: Medical Student Selection Committee, July 2013- 2016.
- Mount Sinai: Radiology Resident Selection Committee, November 2011-Present.
- Mount Sinai: Radiology Departments PI Committee, November 2011-2015
- Boehringer Ingelheim Advisory Board. San Diego, California. November, 2017
- Editorial Board Journal of Precision Respiratory Medicine. June 2018
- Editorial Board EC Pulmonology and Respiratory Medicine. June 2018

10) Professional Organizations and Societies:

- Radiologic Society of North America
- Society of Thoracic Radiology

11) Fellowship and Grant Support:

- Flight Attendants Medical Research Institute (Henschke) 01/07-12/17 FAMRI-IELCAP Collaborative Network: Screening for Respiratory and Cardiac Diseases in Never-smokers Exposed to Secondhand Tobacco Smoke. The goal of this project is to determine the probability of specific respiratory diseases (emphysema, chronic bronchitis, bronchiectasis, focal pneumonia, lung and mediastinal cancer), cardiovascular diseases, breast and other diseases among study participants who have never smoked, including the way in which this probability relates to the indicators of risk, CT findings and quantitative lung health indices (e.g., age, second-hand smoke exposure, nodules) in order to develop appropriate clinical (screening and treatment) programs.

12) Educational Contributions:

Direct Teaching/Precepting/Supervising

Teaching activity	Level	Learners	Hours	Years
-------------------	-------	----------	-------	-------

Medical Student Elective	Med Student	4	2 wks/month	2012-2018
