

## What Squash SA is **D.O.**ing for you!

There has been lots of interest in the new Development Officer positions that have recently been created at Squash SA. The primary focus of the Development Officer positions is to grow and maintain a healthy and sustainable squash community with a strong focus on grassroots participation.

There are 3 Metropolitan Development Officers and one Country Development Officer. In the Metropolitan Adelaide area, the Development Officer roles have been assigned to Northern, Southern and Central cluster areas to service Affiliated Clubs and Court operators with participation programs and activities.

**Dani Rogers:** Southern Development (Junior & participation program delivery)

**James Rogers:** Central Development (Junior & participation program delivery)

**Des Panizza:** Northern Development (Junior & participation program delivery)

**Grant Norman:** Country Development Officer (Contractor –County audit)

The Development Officers and Squash SA programs are overseen by John Cranwell - Pathways Manager.

Our D.O's are the key contacts regarding participation and junior development at each venue in their assigned area.

### **The D.O. role includes:**

- (1) Assistance with junior participation programs & coaching
- (2) Targeted school coaching and participation programs
- (3) In-house and grassroots program assistance
- (4) Targeted talent identification

The Country Development Officer, Grant Norman has been engaged to undertake an audit of the state's regional facilities, competitions, refereeing and coaching. The results of the audit will identify the needs of the sport in the country regions for Squash SA.
