If you love meat, balls, meatballs, and indoor/outdoor spaces, listen up.

As of tonight, [The Meatball Shop](#)'s Williamsburg outpost has a tented garden in back. This means more room for more people and more balls, sliders, and ice cream sandwiches. To snag a seat, reserve the entire barn-like space for parties of up to 30 or hope you get lucky as a walk-in.

Real lucky.

The Meatball Shop, 170 Bedford Avenue, between North 7th and 8th Streets, Williamsburg ([718-551-0520](tel:718-551-0520) or themeatballshop.com).
