The Meatball Shop's St. Patty's Day "ball"

The Meatball Shop is offering a St. Patty's Day ball at each of its six locations on March 17. These special meatballs are a true homage to everything Irish — they're made with corned beef, mashed potatoes and cabbage. Get them on a slider, hero or on their own. To take things up a notch, go for the Lucky Baller Special of one St. Patty's Day Ball slider and one Jameson shot for just \$5. Multiple locations, themeatballshop.com
