

MEATBALL MADNESS

Upper East Side Diners Line Up for The Meatball Shop

Friday, August 16, 2013, by Greg Morabito

[Left Photo; Right Photo]

Here are two photos of the line that formed in front of the new [Upper East Side location of The Meatball Shop](#) last night. The residents of the Upper East Side are clearly very excited by this recent arrival. It's not as long as the [Cronut line](#) or the [ramen burger line](#), but it's still impressive.
