NOTES FROM THE UNDERGROUND Meatballs and Drinks and Jazz

The Meatball Shop guys: they chose the name Underballs for their Chelsea cocktail-and-beer spot, and now they're stuck with it. On the plus side, now they're doing live jazz down there a couple times a month. Along with the beer, that just might earn forgiveness.

411: Every other Thursday, 10pm, Underballs at [The Meatball Shop](#), 200 9th Ave (near 22nd), [212-257-4363](tel:212-257-4363)
