### Trilogy: **The Meatball Shop**

This airy, neighborhoody third iteration comes with the requisite mounted meat grinders, old-timey pictures, and communal table centerpiece, but they're the only location turning out to-go Family Packs (for 2-6) that can be filled with everything from Spicy Pork to Reuben Meatballs, which failed to reboot the '80s camp movie series when it turned out the soulful singing lead counselor couldn't waterski.
