On Monday, July 14, [The Meatball Shop](#) opens its sixth location in [New York City](#) at 447 Amsterdam Avenue, between 81st and 82nd streets.

The newest location will feature two unique elements: the first-ever Meatball Shop walk-up window, and the first-ever Meatball Shop ice cream cart.

Parked behind the shop's walk-up window, the ice cream cart will feature exclusive flavors of house-made ice cream sandwiches including Lemon Fro-Yo, Sour Cherry Lambic, and Sweet Corn ice creams served between Dark Chocolate Fudge, Hazelnut Snickerdoodle, and Butter-flavored cookies.

As an added bonus, for every hundred ice cream sandwiches sold, a lucky guest will win a "golden ticket" offering special gifts like The Meatball Shop Cookbook, the Grinder baseball hat, and a personal meatball-making class with chef Daniel Holtzman.
