## Devonport's Starlet Finally Finds The Holy Grail

Congratulations to Devonport's Grace Pattison, finally after many heart breaking years achieved one of her goals that she has been striving for by taking out the prestigious Australian Junior Open Championships. Having all of her faithful supporters on the edge of their seats in both the semi and finals event coming back from the jaws of death, she showed true grit and battled her way to take out the U/17 Girls title "An achievement well deserved".

A major effort by all our Tasmanian juniors who played their hearts out against some of the finest International players to step foot on our shores and put on a display of fantastic skill of squash.

## Wynyard Open a Huge Success

This years Wynyard Open though slightly down in numbers from previous years once again proved a huge success and ran in it's usual professional way keeping all games flowing to time and providing excellent match ups for all players.

The major event of the weekend being the finals saw Devonport's own Paul Brewtnall going toe to toe with Wynyard's skillful and talented hotshot Peter Bradow.

This was a good flowing game but full honors went Paul's way, what a fitting end to the tournament with both great players giving their all and providing the spectators with an excellent display of how the game of squash is played,

## Tassie Plays Host to Victoria

Another fantastic Tasmanian junior Open proudly held in our Capital State Hobart. Once again we were pleased to welcome our Victorian Cousins to Eastside thanks to Mr. BML Tim, this tournament is becoming one of Tasmania's most prominent event and our organizer David deserves a huge applause for his efforts

## Tasmania 3 Victoria 2

It was Tassie's turn this year to turn the result round with a 3-2 win against our friends from across the water in what can only be described as some of the best squash seen played in true spirit.

Well done Jack Hudson taking the points in the U/17 Boys, excellent work Harry Palfreyman taking out the U/15 Boys and Grace Pattison who once again held her nerve in a mighty epic against Victoria's up and coming starlet Jessica Graham to win in a long game in the 5<sup>th</sup>.

Well done and thanks to Tim for bringing his gang across and we look forward to catching up with you all in June.
