Take 1 Idea and Put It INTO ACTION!

The Persuasive Sales Process

- It starts with you knowing people in your local area, to those 16,000km away.

Attracting Valuable Clients

- People will ultimately be attracted to your values and what you're about (regardless of culture or civilisation).

Your Sales & Marketing Eco-System

- It's great to think of what works locally and what works globally in your mix.

I attended a marketing event where Edward was the speaker. He was extremely professional in his presentation and highly educated in the subject he presented. His advice on making "branding" made complete sense. I would highly recommend him as a business coach or as someone to follow through the internet networking community.

- Maria Fernanda Sanchez
